

PRODUCTSPECIFICATIES

WASP Sport Shockpad 15 HD

WASP Sport Shockpad 15 HD is a certified, ultra-light and easy to handle fall protection plate for sports fields. The WASP Sport Shockpad 15 HD is produced in Europe, so we are sure to always deliver good quality products very quickly. The WASP Sport Shockpad 15 HD plates fit in like a puzzle. This results in better, more reliable shock absorption than other shockpads. Moreover, it realizes maximal thermal reduction on the underlayment. Our WASP Sport Shockpad 15 HD has an effective drainage to accelerate dewatering of the field during inclement weather.

THE BENEFITS OF THE WASP SPORT SHOCKPAD 15 HD

- Quick delivery
- Increases efficiency and speed of installation
- Advanced drainage system
- Optimal and consistent shock absorption
- Maximal thermal reduction on the underlayment
- Tested and certified by a triple AAA report
